

Municipal Bulletin – Public Meeting

Willow Creek, November 5, 2023

As part of an ambitious downtown revitalization project, Willow Creek City Hall is organizing a public meeting on November 12, 2023, at 6:30 PM at the community hall. The meeting is intended to involve residents in decisions that will directly shape the future of our local quality of life.

Agenda:

- Project presentation: Overview of the redevelopment project and the new infrastructure planned.
- Community input: Discussion of residents' proposals regarding safety, accessibility, and the enhancement of local heritage.
- Environmental measures: Discussion of sustainability measures to include, especially improvements to green space management.

Town officials would like to collect your ideas and suggestions to make this project a shared success. Visual materials and interactive models will be presented to illustrate the different options under consideration. A question-and-answer session is planned so every resident has an opportunity to speak.

We strongly encourage your active participation, because your input is essential to shaping the future of our downtown. To register for the meeting or request more information, please contact the dedicated municipal office.
